

Health Guarantee Information

You **MUST** have your puppy examined by a licensed veterinarian within 72 hours of pick up and send us confirmation of this or the guarantee is VOID. If your puppy has physical problems that are considered to be life-threatening and not treatable, we will provide you with a replacement puppy of equal value when available. We **DO NOT** refund ANY payments. We must be notified at the onset of the problem, in writing, with a report from the veterinarian on their stationary with contact information. If the puppy is returned to us, all shipping costs are the responsibility of the purchaser. A returned puppy must be in good condition with all AKC (if applicable) and health papers. To qualify for this guarantee you must have kept the puppy under the care of a licensed veterinarian. The care must include all vaccination, working and routine care recommended by the veterinarian.

Should the puppy die of a congenital/genetic defect within one year of the birth date we will provide a replacement puppy. To qualify for this guarantee, you must have kept the puppy under a licensed veterinarian. The care must include all vaccinations recommended by the veterinarian. You must bring a signed certificate from the veterinarian stating the cause of death and a copy of ALL of your puppy's health records as well as a necropsy report.

There is no guarantee against Hypoglycemia, Coccidiosis, Parasites and Viral or Bacterial Infections. There is no guarantee for allergies, thyroid dysfunction, and demodectic mange. Some disorders are caused by the puppy's environment. There is no guarantee for hip or joint problems. Hip and joint problems are contributed to different factors such as weight problems. We do not guarantee eye problems or cherry eye.

A balanced diet containing the essential nutrients in correct proportions and fresh water available at all times is all a healthy bulldog needs. We feed our puppies Victor with Origins Dog Vitamins.
